### **Special Guest**

#### **Charise Kirtright - Aura/Chakra Video System \$25 for photo w/ graphs - \$45 for photo w/ 22 page report**

Aura/chakra Video Systems measures biofeedback data, such as electrodermal activity and temperature, from a client's hand. This data is correlated and processed and displayed as a representation of the client's emotional energetic state. By viewing a client's Chakra's Charise is able to determine whether the client has a physical or emotional imbalance. Charise Kirtright is a Master Herbalist and Nutritional Counselor. Her passion for health and wellness came after her own health issues could not be dealt with by traditional western medicine. Charise has always held to the belief that there was a cure to every disease known to mankind, and she could see the correlation between what people were eating and what their mental and physical states were.

### **Healers**

#### **Leilani Rashida Henry, MA - Brain Jewel Session**

Brain Jewels(TM), created by Leilani is a transformation tool she uses in combination with Matrix Energetics(R) and Educational Kinesiology to bring about the shift you desire. During your personal Brain Jewels session, Leilani uses rich kaleidoscope images and mind-body exercises to create an intense awareness of you present thoughts and emotions. In this authentic state of "now", you can see where truth and opportunity exit - a liberating discovery that quickly overrides powerlessness and negativity. Then your insight is integrated into your system with movement and/or Matrix Energetics. Leilani Rashida Henry, MA, is certified in Matrix Energetics, a licensed Brain Gym Consultant, a Tamara energy initiate and a Kriya yogi. She has her own radio program on KGNU and is the owner of Being and Living Enterprises. She helps individuals, corporations, and other organizations to advance their goals. ### **Signe DeCroce - Access Bars**

There are 32 bars of energy that run through and around your head. They store the electromagnetic component of all the thoughts, ideas, attitudes, decisions and beliefs that you have ever had about anything. By running energy through these Bars the barriers dissipate and the electromagnetic charge is released. Releasing stuck energy is like deleting old files off your computer giving you more space to create something new and wonderful and leaving you with a feeling of peace and space.

**Signe DeCroce is a student of the alternative healing arts for 30 years. She is a graduate of the Boulder college of massage, combining deep massage and energy work for remembering wholeness.**

### **Peter B. Roth - Qigong / Image Therapy**

Peter's primary mode of healing is called "Image Therapy" which involves scanning a client's body with his hands and third eye. When "stagnant qi" or energy blockages are discovered, He sends qi (energy) to these areas in order to help qi flow more smoothly throughout a client's body. He also ties in spiritual principles, intuition and sometimes astrology in working with clients and suggests new practices to empower you to achieve spiritual harmony.

**Peter B. Roth has helped people with regard to health and spirituality for much of his life. In 2006 he discovered the benefits of qigong and began training in ZY Qigong and studied Daoism as well. For more information visit: [www.peterbroth.com](http://www.peterbroth.com)**
